Just as a matter of information, Judge Robert G. Wilson Jr., Past Imperial Potentate of the Shrine and Frank B. Ells, Past Potentate, visited me this date to get my reaction to permitting the offices of Aleppo Temple to be installed in the 6th floor armory of the Boston Commandery. These men are the present recorder and treasurer of Boston Commandery and they believe the Commandery would be willing to share these quarters with the Shrine.

This arrangement seems practical to me, however, I suggested to Judge Wilson that he write you on this proposal.

They have asked that I keep this confidential.
